

FreshGround™ Whole Bean Single Cup Brewer by Bravor Bonamat

Reliable and built to last. Perfectly suited for high traffic locations and large cup sizes.

Bean-to-cup brewer with a large variety of drink options

- User friendly, multi-touch screen selection.
- Filter style, freshly ground coffee and specialty beverages.
- Brew up to 20 oz. drinks in a single dispense.
- Up to 96 beverage choices: 4 screens with 8 beverages per screen, in 3 sizes.
- Large bean hoppers.
- Mixing chambers are infused with a Teflon™ polymer to reduce powder clogging.

Fresh brewed filter coffee & specialty beverages

The FRESHGROUND™ satisfies the demand for a consistent, delicious taste experience, cup after cup, even in high consumption locations.

Create your own unique specialty beverage menu to meet consumers ever expanding beverage preferences. Up to 32 unique beverage choices, with multiple sizes, are easily available by scrolling through the user friendly interface.
